### Emergency communication

A start of the year reminder to families that if there is an emergency situation at school, you will be informed through the Compass app. Please note that we have an emergency management plan that is enacted in the event of a situation arising. Today we had a practice drill for evacuation. This went very well, with all students following directions and moving in a safe and timely manner.

### School Council 2024

Thanks to the following parents who will be members of our school council: Jacquie Gawne, Sarah Daperoc and Sara Lee. We still have one casual vacancy for 2024 for a parent representative on school council. If you think you may be interested please pop into the office for more information. The meetings are straight after school and occur on the 3<sup>rd</sup> Thursday of the month - a total of 9 meetings. They do not go for any longer than an hour.

### Labour Day long weekend

A reminder to parents that there is a public holiday on Monday 11<sup>th</sup> March - no school on this day. In this week our Foundation students will start to come to school on Wednesdays.

### NAPLAN

The NAPLAN testing period will commence on Wednesday 13<sup>th</sup> March and continue until Monday 18<sup>th</sup> March. If you have a student in year 3 or 5 it is very important that they

A poster for Harmony Week. The background is light blue with white clouds. In the center, a yellow and blue globe is held by two hands, one light-skinned and one dark-skinned. There are yellow flowers and pink birds around the globe. The text reads: "HELP US CELEBRATE HARMONY WEEK 18TH-22ND MARCH". Below this, a smaller text block says: "Don't miss out on this opportunity to celebrate Harmony Week with us and reaffirm our commitment to creating a more inclusive and harmonious community for all. Whether you're a performer, workshop facilitator, artist, volunteer, or simply want to join in the festivities, there's a place for you to get involved and make a difference.
